Thank you for choosing Columbia Gas of Massachusetts.

Before requesting a new meter installation, please be sure the following items have been completed.

✔ Interior gas piping is complete and connected to the meter bracket.
✔ Gas equipment is connected to interior piping and properly vented.
✔ Electrical wiring is complete and thermostat(s) operational.
✔ City/Town has inspected piping installation and the inspection certificate is available at the site.
✔ Our service technician has access to the building.
✔ Meter deposit requirements have been fulfilled (commercial accounts only).
✔ Multi-meter fits are identified with unit numbers.

We ask that you provide Columbia Gas of Massachusetts with three (3) working days advance notice in order to allow for flexible scheduling.

Your cooperation is appreciated and will help avoid any delays or repeat service calls.
